Dear Representative ~~Frankel~~,

Thank you for your submission letter to the Committee on House Administration for review and consideration of the Congressional Women, Peace and Security Caucus as a Congressional Member Organization (CMO) of the House of Representatives in the 116th Congress. The Committee has reviewed the pending registration and has determined that both the purpose of the organization, and the registration information is in compliance with applicable regulations.

Pursuant thereto, the Committee is pleased to accept the registration of the Congressional Women, Peace and Security Caucus for the 116th Congress. Please note that CMOs are not authorized any official funding or resources. However, the Members of the organization may use the official resources of their respective Congressional office for such purposes to the extent that such use is consistent with federal statutes, House Rules, House regulations, and Ethics regulations.

If you have any questions regarding the regulations governing the registration and/or operation of a CMO, please contact the Committee staff at 202-225-2061.

Sincerely,
